# BALTIC CARBON FORUM

## Welcome Programme

Reports: <http://basrec.net/ccs-initiative/conference/>

Follow up: <http://bcforum.net/>

Previous conference in Tallinn April 22-23<sup>rd</sup> , 2015:

***... to support the deployment of CCS  
in the Baltic Sea Region***

# BALTIC CARBON FORUM

**BIS**

Conference objectives are

- To strengthen the network effects
- Discover regional opportunities
- Progress project definitions and applications

So, this means not only listening to or making presentations,  
But, to make new acquaintances and have deep off-line  
discussions
